About Foster Kids of the Merrimack Valley

We are a non-profit organization dedicated to serving the needs of foster children in the Merrimack Valley, including Lawrence, Methuen, Andover, and North Andover. With more than 500 foster children in our local area, they need role models who can make a difference in their lives. Through the efforts of the organization, our goal is to bring a positive influence into the lives of these children and support them as they grow. We offer a range of programs for local foster children of all ages. We work closely with the Department of Social Services (DSS) to make sure our programs are complementary and needed, and do not overlap with state and federally funded programs.
